**LOS ANGELES POLICE DEPARTMENT**

**1.0 BACKGROUND AND INTRODUCTION**

In accordance with the Los Angeles Municipal Code (LAMC) 52.55, and California Civil Code 2080.6, the Los Angeles Police Department (LAPD) must dispose of its lost and unclaimed property through a public auction. Property consists of goods, personal items, and/or articles brought to the LAPD where the owner of such lost or unclaimed property is unknown and the property is not contraband, dangerous or deadly weapons, narcotics or dangerous drugs, explosives, evidence, or any property which is prohibited by State and Federal statutes.

The LAPD is seeking proposals from qualified Proposers to provide a web-based auction sales service of its lost and unclaimed property. The Selected Contractor will arrange for pickup of these items from the Los Angeles Police Department's Property Division, store these items in an appropriate facility, and then offer these items for sale through a public auction utilizing the Proposer's online website or other online website. The Selected Contractor will be responsible for the advertisement of the auction, and will be required to maintain detailed records of the sales. The Selected Contractor will receive a portion of the proceeds from each sale.

**2.0 SCOPE OF SERVICES**

This RFP seeks proposals from Proposers with the appropriate experience and expertise to provide the LAPD with an internet auction sales service. The service provided will be on a continuous basis and arranged through the Los Angeles Police Department's Property Division (PD). The property pickup schedule is anticipated to be three to four times (3-4) a month. The selected Contractor will keep a share of the profits from the sales of these items and remit the balance to the LAPD. The following are the specific services for which proposals are being sought.

**2.1 Services to be Provided**

2.1.1 Retrieve property from the LAPD's Property Division when called upon. It is estimated that items per pickup could range anywhere from sixty to two hundred (60-200) items per pickup. Pickups occur approximately three to four (3-4) times per month.

- 2.1.2 Document thoroughly the condition, serial numbers, and descriptors of each item.
- 2.1.3 Store property in a secure facility until sold. At minimum, the facility should have a monitored security alarm system and surveillance cameras.
- 2.1.4 Advertise the online auction per LAMC code 52.55.
- 2.1.5 Offer items for a public online auction through the selected Contractor's website or other online website.
- 2.1.6 Collect money from winning bidder.
- 2.1.7 Send items to the winning bidder.
- 2.1.8 Maintain detailed records of sales for auditing purposes, and make these reports available to the LAPD through real time web-based interface.
- 2.1.9 Deliver proceeds to the LAPD at least monthly.
- 2.1.10 Items will be posted a minimum of two times for fifteen (15) consecutive days each, provided that the item does not sell during its initial offering.
- 2.1.11 Items that have no sale value or do not sell after repeated listings will be disposed of by the Contractor, by either scrap sale or certified destruction at an authorized landfill. The Contractor must keep written records in order to ensure an audit trail of the disposition of each unsold item.

## **2.2 Time of Performance**

- 2.2.1 The selected Contractor must be available to the LAPD, during normal working hours, upon receiving at least forty-eight (48) hours advance notice, to pick up items processed for auction. Normal working hours will mean the hours between 8:00 a.m. and 4:00 p.m., Monday through Friday.
- 2.2.2 After notification (Section 2.2.1), the selected Contractor will commence the necessary work and render services as described in Sections 2.1.1 through 2.1.11.
- 2.2.3 The selected Contractor must perform the requested services with reasonable diligence, including the production of reports, preparation for sale, actual sales, and remittance of sale proceeds.

Proposers who submit a response to this proposal are subject to Charter Section 470(c)(12) and related ordinances. Proposers may not make campaign contributions to and or engage in fundraising for certain elected City officials or candidates for elected City office from the time they submit the response until either the contract is approved or, for successful Proposers, twelve (12) months after the contract is signed. The Proposer's principals and subcontractors performing \$100,000 or more in work on the contract, as well as the principals of those subcontractors, are also subject to the same limitations on campaign contributions and fundraising.

CEC Form 55 requires Proposers to identify their principals, their subcontractors performing \$100,000 or more in work on the contract, and the principals of those subcontractors. Proposers must also notify their principals and subcontractors in writing of the restrictions and include the notice in contracts with subcontractors. Responses submitted without a completed CEC Form 55 may be deemed nonresponsive. Proposers who fail to comply with City law may be subject to penalties, termination of contract, and debarment. Additional information regarding these restrictions and requirements may be obtained from the City Ethics Commission at (213) 978-1960 or [ethics.lacity.org](http://ethics.lacity.org).

Proposers must submit CEC Form 55, provided in Appendix H, to the awarding authority at the same time the response is submitted.

## APPENDIX D

### **SERVICE CONTRACTOR WORKER RETENTION AND LIVING WAGE ORDINANCES**

---

**CITY OF LOS ANGELES**  
**LIVING WAGE ORDINANCE**  
**(Los Angeles Administrative Code Section 10.37 et seq.)**

**1. What is the Living Wage Ordinance?**

The Living Wage Ordinance (LWO) requires employers who have agreements with the City to pay their employees at least a minimum living wage and to provide certain benefits. If the agreement is subject to the LWO, the employer must do the following:

- Pay employees working on the subject agreement a wage rate that is at least equal to the living wage rate. The living wage is adjusted annually and becomes effective July 1 of each year. Employers can obtain information about the living wage rate currently in effect by going to Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) website at [www.lacity.org/bca/OCCmain.html](http://www.lacity.org/bca/OCCmain.html).
- Provide employees with at least 12 paid days off per year for sick leave, vacation, or personal necessity; and at least 10 unpaid sick days off per year.
- Tell employees who make less than \$12.00 per hour that they may qualify for the federal Earned Income Tax Credit and provide them with the forms required to apply for the credit.
- Cooperate with the City by providing access to the work site and to payroll and related documents so that the City can determine if the employer is complying with the LWO.
- Pledge to comply with federal laws prohibiting an employer from retaliating against employees for union organizing.
- Not retaliate against any employee who makes claims about non-compliance with the LWO.

**2. When was the Ordinance adopted?**

The LWO was adopted in May, 1997 and amended in January, 1999.

**3. What types of agreements are subject to the Ordinance?**

Generally, the LWO covers the following types of agreements:

- An agreement in an amount over \$25,000.00 and for at least three months in which an employer will provide services to or for the City.
- An agreement for the lease or license of City property if the service being performed on the property is something that City employees would otherwise do.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement in which the City gives financial assistance for the purpose of promoting economic development or job growth.

- An agreement in which the City determines that applying the LWO would be in the best interest of the City.

**4. Is an agreement subject to the LWO if it was entered into before May, 1997?**

Agreements executed after May, 1997 are subject to the LWO. An agreement entered into before May, 1997 may become subject to LWO if it is later amended or modified in order to add time or money to the original agreement.

**5. Are there any requirements that would apply to an employer who does not have an agreement with City that is subject to the LWO?**

All employers are required to comply with the LWO's prohibition against retaliation, even if the employer does not have an agreement with the City that is subject to the Ordinance.

**6. Are all employees covered by the Ordinance?**

Intentionally left blank 8/18/06

**7. Are an employer's subcontractors subject to the requirements of the Ordinance?**

A subcontractor may be covered by the Ordinance if the subcontractor performs work on the subject agreement. If so, the subcontractor must also comply with the requirements of the LWO, including all reporting requirements. The prime contractor is responsible for making sure that the subcontractor complies with the LWO.

**8. What happens if an employer is found to be in violation of the Ordinance?**

Payments due may be withheld. Also, the employer may be deemed to be in material breach of the agreement. When that happens, the City may take the following steps:

- Terminate the agreement and pursue all available contractual remedies.
- Debar the employer from doing business with the City for three (3) years or until all penalties and restitution have been fully paid, whichever occurs last.
- Bring a lawsuit against the employer for all unpaid wages and health benefit premiums and/or seek a fine of up to one hundred dollars (\$100.00) for each day the violation remains uncorrected.

**9. What if a subcontractor is found to be in violation of the Ordinance?**

Because the prime contractor is responsible for making sure that all its subcontractors comply with the LWO, the sanctions listed in answer #8 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

## **10. What can an employee do if an employer is in violation of the Ordinance?**

The employee can submit a complaint to the Office Contract Compliance which will investigate the complaint. Also, the employee can bring his or her own lawsuit against the employer for:

- Back pay for failing to pay the correct wages or correct health benefit premiums.
- Reinstatement and back pay for retaliation.
- Triple the amount of the back pay that is owed if the violation was found by the court to be willful.

## **11. Are there any exemptions available under the Ordinance?**

An employer may apply for an exemption based on the following categories:

- Service agreements that are less than 3 months or \$25,000 or less.
- Agreements for the purchase of goods, property, or the leasing of property (with City as the lessee).
- Construction contracts that do not meet the definition of a service agreement.
- Employees who are required to have an occupational license in order to provide services to or for the City are exempt.
- Employers who are party to a collective bargaining agreement (CBA) that has language stating that the CBA shall supersede the LWO.
- Financial assistance recipients who meet the requirements stated in Section 10.37.1(c) of the LWO.
- Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code, Section 501(c)(3) whose chief executive officer's hourly wage rate is less than eight times the hourly wage rate of the lowest paid worker are be exempt. However, this exemption does not apply to child care workers.
- Lessees or licensees who have no more than a total of seven employees and who have annual gross revenue of less than \$471,870 (effective July 1, 2012). The qualifying annual gross revenue is adjusted every July.
- One-person contractors, lessees, licensees or financial assistance recipients who employ no workers.
- Agreements that involve other governmental entities.

## **12. Who is responsible for the administration and enforcement of the Ordinance?**

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway, Suite 300, Los Angeles, CA 90015. For additional information, please call (213) 847-2625, send an e-mail inquiry to [bca.eeoel@lacity.org](mailto:bca.eeoel@lacity.org), or go to the Office of Contract Compliance website at <http://bca.lacity.org>.

## LIVING WAGE ORDINANCE STATUTORY EXEMPTIONS

Living Wage Ordinance (LWO) statutory exemptions are now divided into the following three categories:

1. Exemptions that do not require approval from the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC).
2. Exemptions that do not require OCC approval but require a Contractor Certification of Exemption.
3. Exemptions that require submission of an Application for Exemption and OCC approval of the Application.

1. **The following exemptions do not require OCC approval or any Contractor Certification:** Departments only need to indicate the exemption in the appropriate category on the LWO Departmental Determination of Coverage Form.

- a. **Less than three months OR less than 25,000 (LAAC 10.37.1(j)).** Service contracts or Authority for Expenditures that do not meet these thresholds are not covered by the LWO.
- b. **Other governmental entities (LAAC 10.37.1(g)).** Agreements with other governmental entities such as Los Angeles County, the State of California, or the University of California, are not covered by the LWO. Subcontractors to these entities are also not covered by the LWO.
- c. **Purchase of goods, property, or the leasing of property, with the City as lessee (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO unless they include a service component that is more than just incidental (regular and recurring services is required). Examples of such categorically exempt contracts include contracts to purchase office supplies or to lease space to be occupied by City departments.
- d. **Construction contracts, not conforming to the definition of a service contract (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO. Examples include construction of buildings and infrastructure.
- e. **City financial assistance not meeting thresholds (LAAC 10.37.1(c)).** Agreements to provide a contractor with City financial assistance (which typically mean grants or loans provided at interest rates that are lower than the Applicable Federal Rate) are categorically exempt from the LWO if they meet both of the following:  
(1) The assistance given in a 12-month period is below \$1,000,000 AND less than \$100,000 per year.  
(2) The assistance is not for economic development or job growth.
- f. **Business Improvement Districts (BID) (LWO Regulation 11).** Service agreements are categorically exempt from the LWO if the services are funded with the BID's assessment money collected by the City after the formation of the BID. Service contracts in which City money is used to hire firms to help in forming the BID remain subject to the LWO unless the contractor otherwise qualifies for an exemption.

2. **The following exemption categories do not require OCC approval, but the contractor must still submit a Contractor Certification of Exemption from Living Wage (OCC LW-13).** No OCC approval is required for the exemption to be valid. However, the department must include the Contractor Certification of Exemption with the contract.

- a. **501(c)(3) Non-profit organizations (LAAC 10.37.1(g)):** Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code Section 501(c)(3) are exempt from the LWO if the hourly wage rate of the corporation's highest paid employee is less than eight times the hourly wage rate of the corporation's lowest paid worker. However, the exemption does not extend to Child

Care Workers as defined in the LWO Rules and Regulations (an employee whose work on an agreement involves the care or supervision of children 12 years of age and under.). A copy of the IRS 501(c)(3) Exemption Letter will be required.

- b. One-person contractors with no employees (LAAC 10.37.1(f)):** Contractors, lessees, licensees or financial assistance recipients who employ no workers are exempt from the LWO.
- 3. The following exemption categories require submission of an application for exemption and OCC approval of the application to be valid.**

  - a. Collective bargaining agreements (CBA) that supersede the LWO (LAAC 10.37.12):** Contractors whose employees are covered by a CBA that supersede the requirements of the LWO are not subject to the LWO. A copy of the CBA with the superseding language or a letter from the union indicating that the union has agreed to allow the CBA to supersede the LWO will be required to be submitted. Example: Labor agreement between parking contractor and a labor union with language that wages and benefits in the CBA shall supersede the LWO. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a copy of the CBA or a letter from the union.
    - b. Occupational license (LAAC 10.37.1(f)):**  Employees required to possess an occupational license in order to provide the services under the City agreement are not subject to the LWO. However, only the individual employees who are required to possess an occupational license are exempt. Employees who work on the City contract and are not required to possess an occupational license remain subject to the LWO. Example: Under California Labor Code Sections 7375 □ 7380, a person must be licensed by the State of California in order to inspect and certify cranes and derricks used in lifting services. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a listing of the employees who possess occupational licenses and a copy of the licenses.
    - c. Small business exemptions for Public Lessees/Licensees (LAAC 10.37.1(i)):**  Small businesses that lease property from the City may apply for OCC approval for LWO exemption if the lessee or licensee: (1) employs no more than a total of seven employees; and (2) has annual gross revenues of less than \$471,870 (adjusted July 1, 2012). This applies only to lessees with lease agreements executed after February 24, 2001, and to amendments executed after February 24, 2001 that add monies or extend term. Use the Application for □Small Business□Exemption (Form OCC/LW-26a) and submit the application with the documents requested on that form.
    - d. City financial assistance agreements that exceed the LWO monetary thresholds may apply for one of the exemptions below.** Applicants and departments should refer to Regulation #3(c) for the requirements and the documents that must be submitted with the LWO Application for Non-Coverage or Exemption (OCC/LWO-10).

      - (1) The City financial assistance recipient (CFAR) is in its first year of operation (LAAC 10.37.1(c)).
      - (2) The CFAR employs fewer than five employees (LAAC 10.37.1(c)).
      - (3) The CFAR would face undue hardship because it employs the long-term unemployed or provides trainee positions to prepare employees for permanent positions (LAAC 10.37.1(c)). REQUIRES COUNCIL APPROVAL.

## **Service Contractor Worker Retention Ordinance**

### **(Los Angeles Administrative Code Section 10.36 et seq.)**

#### **1. What is the Service Contractor Worker Retention Ordinance?**

The Service Contractor Worker Retention Ordinance (SCWRO), effective May, 1996, requires a successor contractor and its subcontractors to retain for a 90-day period certain employees who worked for the terminated contractor or its subcontractors for at least 12 months. (See also Question #7 regarding which employees are covered.)

#### **2. What is a successor contractor?**

A successor contractor is one who has been awarded an agreement to provide services to or for the City that are similar to those that were provided under a recently terminated agreement.

#### **3. What types of agreements are covered by the Ordinance?**

The SCWRO covers the following types of agreements:

- For services in an amount over \$25,000.00 and for at least three months.
- In which the primary purpose is to provide services to or for the City (including leases and licenses).
- In which the City provides financial assistance for the purpose of promoting economic development or job growth.

#### **4. What does the Ordinance require a terminated contractor to do?**

The SCWRO requires the terminated contractor to provide the awarding authority with the names, addresses, dates of hire, hourly wage, and job classes of each employee who worked on the City agreement for that terminated contractor or its subcontractor. The awarding authority will provide the information to the successor contractor.

#### **5. What does the Ordinance require a successor contractor to do?**

The Ordinance requires the successor contractor to:

- Offer employment and retain for a 90-day period the employees who worked for at least 12 months for the terminated contractor or its subcontractors.
- Not discharge the employees retained under the SCWRO without cause during the 90-day period.
- Perform a written performance evaluation of each employee retained under the SCWRO at the end of the 90-day period.

**6. Do the employees retained under the Ordinance receive any additional protection?**

Employees retained under the SCWRO are employed under the terms and conditions of the successor contractor or as required by law. However, if the agreement the employees are working under is subject to Living Wage Ordinance (LWO), the employees must be paid the wage rate and be provided the benefits required by LWO.

**7. Does the successor contractor have to retain all the prior contractor's employees?**

The SCWRO covers only employees who meet all of the following requirements:

- Earn less than \$15.00 per hour.
- Primary job is in the City working on or under the City agreement.
- Worked for the terminated contractor or its subcontractor for the preceding 12 months or longer.
- Not a managerial, supervisory, or confidential employee; or an employee required to possess an occupational license.

**8. What if the successor contractor determines that fewer employees are required to provide the services than were required by the prior contractor?**

The names of the affected employees will be placed in order by seniority within each job classification. The successor contractor is required to retain employees based on seniority. The names of employees not retained will be placed on a preferential hiring list from which the successor contractor must use for subsequent hires.

**9. What happens if an employee is discharged in violation of the Ordinance?**

The employee may bring a lawsuit against the successor contractor. The employee can also submit a complaint to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance which will investigate the complaint.

**10. What if a contractor is found to be in violation of the Ordinance?**

The City may terminate the agreement or pursue other legal remedies.

**11. Who is responsible for administering and enforcing the Ordinance?**

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway, 3<sup>rd</sup> Floor, Los Angeles, CA 90015. For additional information, please call (213) 847-2625, send an e-mail inquiry to [bca.eeoelacity.org](mailto:bca.eeoelacity.org), or go to the Office of Contract Compliance website at <http://bca.lacity.org>.

Note: The State of California does not offer EBE certifications. For the purposes of this program, the State's Microbusiness certification will be considered synonymous with the City's EBE certification.

c. Certification as a Disabled Veteran Business Enterprise: A DVBE must be certified by State of California, Office of Small Business & Disabled Veterans Business Enterprise Services.

9. Business Inclusion Program Outreach Documentation: The respondent must take affirmative steps prior to submission of their RFP response to ensure that a maximum effort is made to recruit subconsultants. Minority, women, small, emerging, disabled veteran owned and controlled businesses must be considered along with other business enterprises whenever possible as sources of subconsulting services. Affirmative steps for BIP Outreach Documentation are outlined in Paragraph C herein. The BIP Outreach Documentation must be submitted as described in Paragraph C herein. Failure to submit the BIP Outreach Documentation will render the response non-responsive.

10. Subcontract: For the purpose of this program, the term "Subcontract" denotes an agreement between the prime Consultant and an individual, firm or corporation for the performance of a particular portion(s) of the work which the prime Consultant has obligated itself.

11. Subconsultant: An individual, firm, or corporation having a direct contract with the consultant for the performance of a part of the work which is proposed to be constructed or done under the contract or permit, including the furnishing of all labor, materials, or equipment. For the purposes of this Program, a subconsultant may also be referred to as a subcontractor.

12. Vendor and/or supplier: A firm that owns, operates or maintains a store, warehouse, or other establishment in which the materials or supplies required for the performance of the contract are bought, kept in stock, and regularly sold to the public in the usual course of business. The firm must engage in, as its principal business, and its own name, the purchase and sale of the products in question. A vendor and/or supplier of bulk items such as steel, cement, stone and petroleum products need not keep such products in stock, if it owns or operates distribution equipment.

13. Manufacturer: A firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the contractor.
14. Broker: A firm that charges for providing a bona fide service, such as professional, technical, consultant or managerial services and assistance in the procurement of essential personnel, facilities, equipment, insurance or bonds, materials or supplies required for performance of the contract. The fee or commission is to be reasonable and not excessive as compared with fees customarily allowed for similar services.
15. Participation Recognition: This applies to recognition as an MBE, WBE, SBE, EBE, DVBE.
  - a. All listed MBE, WBE, SBE, EBE, and/or DVBE firms must be certified as defined under Paragraph B, Definitions, Item 4, on the date the Awarding Authority awards a contract for the project before credit may be allowed toward the respective MBE, WBE, SBE, EBE, and/or DVBE pledged participation level.
  - b. Work performed by a MBE, WBE, SBE, EBE, and/or DVBE prime consultant will not be a consideration when determining a prime consultant's BIP Outreach. The prime consultant will be required to make a BIP Outreach to obtain reasonable anticipated MBE, WBE, SBE, EBE, and/or DVBE participation levels through subconsulting or materials and supplies acquisition.
  - c. Recognition for materials and/or supplies is limited to 60 percent of the amount to be paid to the vendor for such materials/supplies in computing the pledged levels of MBE, WBE, SBE, EBE, and/or DVBE participation, unless the vendor manufactures or substantially alters the materials/supplies.
  - d. MBE, WBE, SBE, EBE, and/or DVBE credit for brokers required for performance of the contract is limited to the reasonable fee or commission charged, as not considered excessive, as compared with fees customarily allowed for similar services.
  - e. A firm which qualifies as both a MBE and a WBE will be credited as either MBE participation or as WBE participation, but will not be credited for both. However, a MBE and/or WBE firm may also receive SBE, EBE and/or DVBE credit if so qualified.
  - f. A listed MBE, WBE, SBE, EBE, and/or DVBE firm must be potentially available to perform a commercially useful function, i.e., must be potentially responsible for the execution of a distinct element of the work and potentially available to carry out its responsibility by performing, managing and supervising the work.
  - g. MBE/WBE credit shall not be given to a Joint Venture partner listed as a subconsultant by a Joint Venture respondent.
  - h. A SBE, EBE, DVBE prime consultant shall receive pledged participation credit for the work performed by its own workforce.

C. **BIP OUTREACH DOCUMENTATION**

It is the policy of the City of Los Angeles to provide Minority Business Enterprises (MBEs), Women Business Enterprises (WBEs), Small Business Enterprises (SBEs), Emerging Business Enterprises (EBEs), Disabled Veteran Business Enterprises (DVBEs), and all Other Business Enterprises (OBEs) an equal opportunity to participate in the performance of City contracts. In order to maximize this participation while minimizing the administrative impact on city staff and RFP respondents alike, the Mayor's Office has developed a Business Inclusion Program (BIP). The BIP requires City departments to set anticipated participation levels based on the opportunities presented in their advertised contracts and department's achievement of its annual goals. A respondent's BIP Outreach to MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs shall be determined by their compliance with the following BIP Outreach process which will be performed on the City's Business Assistance Virtual Network (BAVN). The BAVN can be accessed by going to the City's Webpage (<http://www.lacity.org>) and linking onto "Bids, RFPs & Grants" or directly at [www.labavn.org](http://www.labavn.org). Failure to meet the anticipated MBE, WBE, SBE, EBE, and/or DVBE participation levels will not by itself be the basis for disqualification or determination of noncompliance with this policy. **However, failure to comply with the BIP Outreach documentation requirements as described in this section will render the RFP response non-responsive and will result in its rejection.** *Compliance with the BIP Outreach requirements is required even if the proposer has achieved the anticipated MBE, WBE, SBE, EBE, and DVBE participation levels.* Adequacy of a bidder's BIP Outreach will be determined by the Awarding Authority after consideration of the indicators of BIP Outreach as set forth below.

Any technical difficulties while utilizing the BAVN should be reported immediately using the following steps:

1. Email BAVN Support at [support@labavn.org](mailto:support@labavn.org).
2. Email Juli Munson at [33868@lapd.lacity.org](mailto:33868@lapd.lacity.org).

If the above procedures are not followed as stipulated, incomplete outreach and/or incomplete documentation may not be accepted.

*Each indicator (2-6) is evaluated on a pass/fail basis. All indicators (2-6) must be passed to be deemed responsive. Only BIP Outreach documentation submitted under the bidders name will be evaluated. Therefore submission by a third party will result in the bidder being deemed non-responsive.*

1	<b>LEVEL OF ANTICIPATED MBE, WBE, SBE, EBE, and DVBE PARTICIPATION</b>
---	--

The proposer has performed a BIP Outreach in an attempt to obtain potential subconsultant participation by MBEs, WBEs, SBEs, EBEs, DVBEs and OBEs which could be expected by the Board to produce a reasonable level of participation by interested business enterprises, including the MBE, WBE, SBE, EBE and DVBE anticipated percentages set forth on Page 1 herein and to have the proposer meet the subconsulting expectations for the project.

2	<b>ATTENDED PRE-BID MEETING</b>
---	---------------------------------

The proposer attended the pre-proposal meeting scheduled by the Project Manager to inform all proposers of the requirements for the project for which the contract will be awarded. This requirement may be waived if the proposer certifies it is informed as to those project

requirements and has participated in a City-sponsored or City-approved matchmaking event in the prior 12 months.

**Required Documentation:** An employee of the proposer's company must attend the pre-submittal meeting scheduled for this project. Credit may not be given if the employee arrives late or fails to sign the pre-submittal meeting attendance roster. This requirement will be waived if the proposer both certifies in writing that it is informed as to the BIP Outreach requirements for the project and has participated in a City-sponsored or City-approved matchmaking event in the prior 12 months as is evidenced by the event attendance documents.

**Note:** If the RFP states that the pre-submittal meeting is mandatory, then attendance at the pre-submittal meeting is the only way to pass this indicator.

### **3 SUFFICIENT WORK IDENTIFIED FOR SUBCONSULTANTS**

The proposer has identified the minimum number, as determined by the Awarding Authority, of specific items of work that will be performed by subconsultants. This will ensure an opportunity for subconsultant participation among MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs.

**Required Documentation:** Outreach via e-mail in the selected potential work items. This outreach must be performed using the BAVN's BIP Outreach system. The outreach must be to potential MBE, WBE, SBE, EBE, DVBE, and OBE subconsultants who are currently registered on the BAVN. Failure of the proposer to outreach in all of the potential work items selected by the City as potential subconsulting work items may result in the RFP response being deemed non-responsive.

**Note:** City staff will access the BAVN and verify compliance with this indicator after the RFP submission deadline.

### **4 WRITTEN NOTICES TO SUBCONSULTANTS**

All notifications must be provided utilizing BAVN, and made not less than **fifteen (15) calendar days** prior to the date the Prime Bid/Proposal is required to be submitted. In all instances, proposers must document that invitations for subcontracting bids were sent to available MBEs, WBEs, SBEs, EBEs, DVBEs and OBEs for each item of work to be performed.

**Required Documentation:** E-mail notification in each of the selected potential work items to potentially available MBEs, WBEs, SBEs, EBEs, DVBEs and OBEs for each anticipated work item to be performed. The notification must be performed using the BAVN's BIP Outreach system. The notification must be to potential subconsultants currently registered on the BAVN. If the proposer is aware of a potential subconsultant that is not currently registered on the BAVN, it is the proposer's responsibility to encourage the potential subconsultant to become registered so that the proposer can include them as part of their outreach. Letters must contain areas of work anticipated to be subconsulted, City of Los Angeles project name, name of the proposer, and contact person's name, address, and telephone number. Proposers are required to send notifications to a sufficient number of firms comprised of MBEs, WBEs, SBEs, EBEs, DVBEs and OBEs in each potential work item chosen, as determined by the City. What is considered sufficient will be determined by the total number of potential subconsultants in each specific work item.

The City will determine each work area by the North American Industry Classification System (NAICS) code. The following table shows the sufficient number of MBE, WBE, SBE, EBE, DVBE and OBE subcontractors that need to be notified for each work area.

# of Subcontractors in NAICS Code	% Prime Must Notify	Number Prime Must Notify
1-10	100%	1-10
11-20	80%	9-16
21-50	60%	13-30
51-100	40%	21-40
101-200	25%	26-50
>200	10%	20+

A proposer's failure to utilize this notification function will result in their RFP response being deemed non-responsive.

**Note:** Proposers will not be able to utilize the BAVN's BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFP response submittal deadline. In utilizing the BAVN's notification function, proposers will receive a message if they have failed to outreach to a sufficient number of firms when they go to view their summary sheet. Proposers will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a proposer non-responsive if the wording is perceived to seriously limit potential subconsultant responses. City staff will access the BAVN and verify compliance with this indicator after the RFP submission deadline. Proposers are encouraged to print their BIP Outreach summary sheet prior to logging out as documented proof of their progress.

## 5 PLANS, SPECIFICATIONS AND REQUIREMENTS

The proposer provided interested potential subconsultants with information about the availability of plans, specifications, and requirements for the selected subconsulting work.

**Required Documentation:** Include in Indicator 4, information detailing how, where and when the proposer will make the required information available to interested potential subconsultants. The notification must be performed using the BAVN's BIP Outreach system.

**Note:** For purposes of RFPs, making a copy of the RFP available to potential subconsultants will meet this requirement. At the time a proposer utilizes the BAVN's BIP Outreach notification function, the required information will automatically be included in the notification. Proposers will not be able to utilize the BAVN's BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFP response submittal deadline. City staff will access the BAVN and verify compliance with this indicator after the RFP submission deadline.

## 6 NEGOTIATED IN GOOD FAITH

The proposer has responded to every unsolicited offer sent by a Registered Subcontractor using BAVN and has evaluated in good faith bids or proposals submitted by interested MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs. Proposers must not unjustifiably reject as unsatisfactory a bid or proposal offered by a Registered Subcontractor, as determined by the Awarding Authority. The proposer must submit a list of all subcontractors for each item of work, including dollar amounts of potential work for MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs, and a copy of any and all

bids or proposals received. This list must include an explanation of the evaluation that lead to the bid or proposal being rejected and the explanation must have been communicated to the subcontractor using BAVN.

***Required Documentation:***

- a) Schedule A MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants Information Form;
- b) An online Summary Sheet organized by work area, listing the following:
  - 1) The responses and/or bids received;
  - 2) The name of the subconsultant who submitted the bid/quote;
  - 3) A brief reason given for selection/non-selection as a subconsultant;
- c) Copies of all potential MBE/WBE/SBE/EBE/DVBE/OBE bids or quotes received must be submitted prior to award of a contract by the City;

The reasons for selection/non-selection should be included in the notes section of the online Summary Sheet. If the proposer elects to perform a listed work area with its own forces, they must include a bid/quote for comparison purposes and an explanation must be provided and included on the summary sheet. **All bids/quotes received, regardless of whether or not the proposer outreached to the subconsultant, must be submitted and included on the on-line Summary Sheet.** To that extent, the City expects the proposer to submit a bid from each subconsultant listed on the online Summary Sheet, including those listed on the proposer's Schedule A. **All potential subcontractors with whom the bidder has had contact outside of the BAVN must be documented on the online Summary Sheet.**

The summary sheet must be performed using the BAVN's BIP Outreach system and must be submitted by 4:30 p.m. on the first calendar day following the day of the RFP response submittal deadline. If a bid/quote is submitted by a firm that is not registered with the BAVN, the proposer is required to add that firm to their summary sheet. A proposer's failure to utilize the BAVN's summary sheet function will result in their RFP response being deemed non-responsive.

**Note:** Staff will request copies of all of the bids/quotes received as part of the BIP Outreach evaluation process. Proposers must have a bid/quote from each potential subconsultant listed on their Schedule A prior to submission of the Schedule A. The submission of the Schedule A is outlined in G herein. Proposers are encouraged to submit all of their bids/quotes with their RFP response submittal. Proposers will not be able to edit their summary sheet on the BAVN's BIP Outreach summary sheet function after 4:30 p.m. on the first calendar day following the day of the RFP response submittal deadline. City staff will access the BAVN and verify compliance with the summary sheet provision of this indicator after the RFP submission deadline. Proposers are required to have each of the subconsultants on their Schedule A registered on the BAVN prior to being awarded the contract.

7	BOND, LINES OF CREDIT, AND INSURANCE ASSISTANCE
---	---

Each notification by the proposer shall also include an offer of assistance to interested potential MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs in obtaining bonds, lines of credit, and insurance required by the Awarding Authority or proposer.

***Required Documentation:*** Include in Indicator 4, information about the proposer's efforts to assist with bonds, lines of credit and insurance. The notification must be performed using the BAVN's BIP Outreach system.

**Note:** At the time a proposer utilizes the BAVN's BIP Outreach notification function, the

required information will automatically be included in the notification. Proposers will not be able to utilize the BAVN's BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFP response submittal deadline. Proposers will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a proposer non-responsive if the wording seriously limits potential subconsultant responses or is deemed contrary to the intent of this indicator. City staff will access the BAVN and verify compliance with this indicator after the RFP submission deadline.

The proposer shall submit completed BIP Outreach documentation either via the BAVN's BIP Outreach system or prior to award, as specified for each indicator. The Awarding Authority in its review of the BIP Outreach documentation may request additional information to validate and/or clarify that the BIP Outreach submission was adequate. Any additional information submitted after the response due date and time will be treated at a higher level of scrutiny and may require third Party documentation in order to substantiate its authenticity. Such information shall be submitted promptly upon request by the Awarding Authority.

**D. AWARD OF CONTRACT**

The Awarding Authority reserves the right to reject any and all RFP responses. The award of a contract will be to the responsive, responsible proposer whose proposal complies with all requirements prescribed herein. This includes compliance with the required Business Inclusion Program Outreach. A positive and adequate demonstration to the satisfaction of the Awarding Authority that a BIP Outreach to include MBE/WBE/SBE/EBE/DVBE/OBE subconsultants' participation was made is a condition for eligibility for award of the contract.

In the event that the Awarding Authority considers awarding away from a proposer because of the proposer's failure to supply adequate BIP Outreach documentation, the Awarding Authority shall afford the proposer an opportunity to present further evidence to the Awarding Authority prior to a public hearing of the proposer's BIP Outreach evaluation.

**E. SUBCONSULTANT SUBSTITUTION**

In addition to the requirements set forth in the provisions pertaining to the listing of subconsultants, the following shall apply for the purpose of this program:

1. Substitution During Contract Duration: The contract award requires that the level of all subconsultant participation shall be maintained throughout the duration of the contract. To this extent, any unapproved reduction in the listed subcontract amount will be considered an unauthorized substitution.
  - a. The Consultant shall request approval of the Awarding Authority for all substitutions of bid-listed (Schedule A) subconsultants.
  - b. The request shall be in writing and submitted to the designated Project Manager for the Awarding Authority. The request shall give the reason for the substitution, the name of the subconsultant and the name of the replacement.
2. MBE/WBE/SBE/EBE/DVBE/OBE Subconsultant Substitution: The Awarding Authority requires that whenever the Consultant seeks to substitute a bid-listed (Schedule A) subconsultant, the Consultant must make a BIP Outreach to replace the subconsultant.

- a. The Consultant shall contact some of each of the following: certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects from each trade for which sub-bid/subconsulting work is available and document the following for submittal:
  1. Name of company contacted; contact person and telephone number; date and time of contact.
  2. Response for each item of work which was solicited, including dollar amounts.
  3. Reason for selection or rejection of sub-bid prospect.
  4. In the event that the Consultant is unable to find some certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects fore each trade, the Consultant should contact the Office of Contract Compliance at (213) 847-2684 for assistance prior to certifying under penalty of perjury that it was unable to fully meet this requirement.

I. In the event that a subcontract is reduced due to a project change that will not be specified in a change order, the Consultant shall request approval for reducing the subcontract by documenting the following for submittal:

- a) The name of the company for which the subcontract reduction is requested and the dollar amount of the reduction.
- b) The reason for the reduction. Specific details should be given in order for the Consultant's request to be processed promptly.
- c. The Consultant shall submit all documentation to the Awarding Authority's Project Manager.

**F. SUB-AGREEMENT FALSIFICATION**

Falsification or misrepresentation of a sub-agreement as to company name, contract amount and/or actual work to be done by the sub-bidder/subconsultant will result in sanctions set forth in provisions pertaining to listing of subconsultants.

**G. SUBMITTAL DOCUMENTS**

1. MBE/WBE/SBE/EBE/DVBE/OBE Subcontractors Information Form (Schedule A)  
Proposers shall submit with their proposal the MBE/WBE/SBE/EBE/DVBE/OBE Subcontractors Information Form, provided here in as Schedule A. The proposer shall list itself and the names and addresses of all firms to be used with a complete description of work or supplies to be provided by each, and the description of work to be performed.
2. MBE/WBE/SBE/EBE/DVBE/OBE Utilization Profile (Schedule B)

During the term of the contract, the consultant must submit the MBE/WBE/SBE/EBE/DVBE/OBE Utilization Profile (Schedule B) when submitting an invoice to the City.

3. Final Subcontracting Report (Schedule C)

Upon completion of the project, a summary of these records shall be prepared on the "Final Subcontracting Report" form (Schedule C) and certified correct by the consultant or its authorized representative. The completed form shall be furnished to the Awarding Authority within 15 working days after completion of the contract.

**H. RESPONSIBILITY FOR IMPLEMENTATION AND MONITORING**

The Awarding Authority which acts as the City's Project Manager for the resulting contract will be the responsible entity for proper implementation and monitoring of the policy.

**I. AWARD OF CONTRACT**

Nothing herein restricts the discretion of the Awarding Authority to reject all proposals in accordance with Charter Section 371.

Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

### **PSC-2. NUMBER OF ORIGINALS**

The number of original texts of this Contract shall be equal to the number of the parties hereto, one text being retained by each party. At the **CITY'S** option, one or more additional original texts of this Contract may also be retained by the City.

### **PSC-3 APPLICABLE LAW, INTERPRETATION AND ENFORCEMENT**

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local government having jurisdiction over this Contract, the validity of the remaining parts, terms or provisions of the Contract shall not be affected thereby.

#### **PSC-4. TIME OF EFFECTIVENESS**

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

#### **PSC-5. INTEGRATED CONTRACT**

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in paragraph PSC-6 hereof.

#### **PSC-6. AMENDMENT**

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-4.

#### **PSC-7. EXCUSABLE DELAYS**

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

#### **PSC-8. BREACH**

Except for excusable delays as described in PSC-7, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights

and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

## **PSC-9. WAIVER**

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

## **PSC-10. TERMINATION**

### **A. TERMINATION FOR CONVENIENCE**

The **CITY** may terminate this Contract for the **CITY'S** convenience at any time by giving **CONTRACTOR** thirty days written notice thereof. Upon receipt of said notice, **CONTRACTOR** shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. The **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to affect such termination. Thereafter, **CONTRACTOR** shall have no further claims against the **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon the date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

### **B. TERMINATION FOR BREACH OF CONTRACT**

1. Except for excusable delays as provided in PSC-7, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, the **CITY** may give **CONTRACTOR** written notice of such default. If **CONTRACTOR** does not cure such default or provide a plan to cure such default which is acceptable to the **CITY** within the time permitted by the **CITY**, then the **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then the **CITY** may immediately terminate this Contract.
3. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates the **CITY'S** lobbying policies, then the **CITY** may immediately terminate this Contract.
4. In the event the **CITY** terminates this Contract as provided in this section, the **CITY** may procure, upon such terms and in such manner as the **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and

**CONTRACTOR** shall be liable to the **CITY** for all of its costs and damages, including, but not limited, any excess costs for such services.

5. All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.

7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

#### **PSC-11. INDEPENDENT CONTRACTOR**

this Contract. The **CITY** has the right to approve **CONTRACTOR'S** subcontractors, and the **CITY** reserves the right to request replacement of subcontractors. **PSC-15. CLAIMS FOR LABOR AND MATERIALS**

**CONTRACTOR** shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), against **CONTRACTOR'S** rights to payments hereunder, or against the **CITY**, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

These records shall be retained for a period of no less than three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. Said records shall be subject to examination and audit by authorized **CITY** personnel or by the **CITY'S** representative at any time during the term of this Contract or within the three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. **CONTRACTOR** shall provide any reports requested by the **CITY** regarding performance of this Contract. Rights and remedies available to the **CITY** under this provision are cumulative of those provided for elsewhere in this Contract and those allowed under the laws of the United States, the State of California, and the **CITY**. The provisions of PSC-20 shall survive expiration or termination of this Contract.

#### **PSC-21. INTELLECTUAL PROPERTY INDEMNIFICATION**

**CONTRACTOR**, at its own expense, undertakes and agrees to defend, indemnify, and hold harmless the **CITY**, and any of its Boards, Officers, Agents, Employees, Assigns,

**CITY OF LOS ANGELES**  
**INSTRUCTIONS AND INFORMATION**  
**ON COMPLYING WITH CITY INSURANCE REQUIREMENTS**

(Share this information with your insurance agent or broker.)

1. **Agreement/Reference** All evidence of insurance must identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.
2. **When to submit** Normally, no work may begin until a CITY insurance certificate approval number (CA number) has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.
3. **Acceptable Evidence and Approval** Electronic submission is the preferred method of submitting your documents. **Track4LA** is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used primarily by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. **Track4LA** advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **Track4LA** at <http://track4la.lacity.org> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Insurance industry certificates other than the ACORD 25 may be accepted. All Certificates must provide a thirty (30) days cancellation notice provision (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

**Acceptable Alternatives to Acord Certificates and other Insurance Certificates:**

- A **copy of the full insurance policy** which contains a thirty (30) days cancellation notice provision (ten (10) days for non-payment of premium) and additional insured and/or loss-payee status, when appropriate, for the CITY.
- **Binders and Cover Notes** are also acceptable as interim evidence for up to 90 days from date of approval.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers Compensation Law.
- Professional Liability insurance.

Completed Insurance Industry Certificates other than ACORD 25 Certificates can be sent electronically ([CAO.insurance.bonds.lacity.org](http://CAO.insurance.bonds.lacity.org)) or faxed to the Office of the City Administrative Officer, Risk Management (213) 978-7616. **Please note that submissions other than through**

**Track4LA™ will delay the insurance approval process as documents will have to be manually processed.**

Verification of approved insurance and bonds may be obtained by checking **Track4LA**, the CITY's online insurance compliance system, at <http://track4la.lacity.org>.

**4. Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate through **Track4LA** at <http://track4la.lacity.org> or submit an Insurance Industry Certificate or a renewal endorsement as outlined in Section 3 above. If your policy number changes you must also submit a new Additional Insured Endorsement with an Insurance Industry Certificate.

**5. Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

**6. General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. (Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at ([www.2sparta.com](http://www.2sparta.com)), or by calling (800) 420-0555.)

**7. Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

**8. Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

**9. Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). A **Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

**10. Property Insurance** is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

**11. Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information.
