### DISCUSSION

- A. This donation will fund the purchase of 15 nameplates for the Department's recently renovated Memorial Wall. The initial submission of the Memorial Wall renovation project did not account for 15 officers who had died because of their exposure to the Spanish Flu. Approval of this grant will ensure that all fallen officers can be properly recognized for their ultimate sacrifice. If you have any questions, please contact Deputy Chief Dominic Choi, Office of Support Services, at (213) 486-8410.
- B. This donation will fund the memorial display for former Assistant Chief Earl Paysinger at the Ahmanson Recruit Training Center (ARTC). The display will include a framed portrait painting and a plaque engraved with a brief biography highlighting his career and passion for community outreach. This memorial display will be positioned in a high-traffic location at the ARTC, where it will serve to educate and inspire new police recruits and law enforcement personnel. If you have any questions, please contact Captain Jon Pinto, Training Division, at (424) 393-4600.

The Los Angeles Police Foundation is an independent, not-for-profit organization that provides critical resources and vital support to the Los Angeles Police Department. From essential equipment and state-of-the-art technology to specialized training and innovative programs that would otherwise be unfunded, the Foundation provides funding that directly improves public safety, impacts officer readiness, and enhances the quality of life of all members of the community. As the largest source of private support for the LAPD, the Foundation is passionately dedicated to ensuring that Los Angeles remains America's safest major city. Since being established in 1998, the Foundation has invested tens of millions of dollars in hundreds of LAPD initiatives that promote excellence, expand capabilities, strengthen neighborhoods and create opportunities for at-risk youth. These actions are grounded in the beliefs that a safe city is a strong city and that together we can make a difference.

The donation has been submitted in accordance with Section 5.467 et seq. of the Los Angeles Administrative Code, which provides for the receipt and acceptance of donations to the Department.

If you have any questions, please contact Commander Daniel Randolph, Chief of Staff, Office of the Chief of Police at (213) 486-8740.

Respectfully,

MICHEL R. MOORE

Name of Program/Equipment requesting funding for: LAPD Memorial Wall Nameplates

Provide a brief description and the need for the program/equipment (use additional paper if needed):

Currently, the Memorial Wall is in a state of disrepair; vandalism, and improper cleaning methods have added to its poor condition. A grant for the major renovation of the memorial had been requested, approved, and the project had commenced. This grant seeks to purchase additional nameplates to ensure sufficient quantities are ordered for every officer, specifically for those who died from the Spanish Flu.

Has this program/equipment previously been requested through the city budget? ☐ YES ☒ NO

No, the Police Memorial Wall was initially designed and manufactured using a Grant.

If yes, please list the most recent date of submission and the result:

If no, please explain the reason why it was not submitted:

The Police Memorial Wall was initially designed and manufactured using a Grant. Any refurbishments/enhancements will need to be supported by a grant. The current budget deficit is severe and is expected to be worse for the upcoming 2021-2022 Fiscal Year. Money from a grant will be the only way possible to refurbish/enhance the Memorial.

**worse for the upcoming 2021-2022 Fiscal Year. Money from a grant will be the only way possible to refurbish/enhance the Memorial.**

**What objectives will be accomplished if the funding is granted?**

**The replacement of all nameplates which have been badly damaged due to weather, vandalism, and inappropriate cleaning. These nameplates will be made of more durable and low maintenance material to extend the life of the memorial wall.**

**How many officers will be impacted with this grant?**

**This project has always been about providing a place to honor all those LAPD officers who have died in the line of duty. The Memorial Wall is a reminder to all officers, past, present, and future, about the individuals who have made the ultimate sacrifice while wearing the LAPD uniform. It is a place for loved ones, officers, and the community to gather and pay their respects to their fallen officers.**

**How will the community be impacted by this grant?**

**As stated above, the memorial will be open for all community members to visit. The wall's physical display seeks to illicit an emotional reaction as community members walk around it and read the names of the men and women who have given their lives to protect the Los Angeles community. Now more than ever, the community should have a space to remember the sacrifices officers make everyday they wear the uniform and respond to their calls for service.**

**Describe the short-term outcome and long-term impact you anticipate within the Department, and in the community it serves, as a result of this grant.**

**The outcomes for both short-term and long-term impact are the same, a respectable space to remember all LAPD officers who have died in the line of duty.**

**How can the Foundation evaluate success if the funding is granted? (# of people served, objectives reached, surveys, etc.)**

**The Foundation will be able to evaluate the success of the grant first hand by visiting the location and taking part in any unveiling ceremony (pending COVID-19 restrictions).**

**Please list or attach an itemized list for expenses or a quote from equipment manufacturer on vendor's letterhead.**

**Please see attachment.**

**TO:** Chief of Police  
**FROM:** Director, Office of Support Services  
**SUBJECT:** LOS ANGELES POLICE FOUNDATION GRANT REQUEST

### **Additional Nameplates for the LAPD Memorial Wall Enhancement**

It is requested that Office of Support Services be approved for the purchase of additional nameplates for the Los Angeles Police Department (LAPD) Memorial Wall project. Approval of this grant benefits the Department as follows:

As the Memorial Wall renovation project was being researched, additional names of officers that had not been included in the initial submission had been discovered. It was found that 15 LAPD officers died because of their exposure to the Spanish Flu and were not included in the original nameplates for the memorial.

We are seeking additional funds to address the additional names needed to create nameplates to incorporate into the memorial, which include the manufacturing, engraving, and plaques that accompany each item.

If you have any questions, please contact Lieutenant Nicole Aufdemberg, Office of Support Services, at 213-486-8410.

The patriotic background can be perfectly embellished with a department or organizational seal. The base of the plaque has plenty of room for additional insignia, dates of work service and a personalized message of thanks.

Perfect as a gift for retiring special agents, marshals, sheriff, constable and their deputies, the Law Enforcement Retirement Plaque is the kind of award that will be displayed proudly in any trophy shelf. This award would also be a spot on choice if you're trying to design a personalized LEO retirement plaque.

**SUBJECT:** LOS ANGELES POLICE FOUNDATION GRANT REQUEST –  
UNRESTRICTED

It is requested that Training Division be approved for funding from the Los Angeles Police Foundation (LAPF) to display a memorial for Chief Earl Paysinger at the Ahmanson Recruit Training Center. This funding will be used to frame a painted portrait of Chief Paysinger and have a memorial plaque created. Approval of this grant benefits the Department as follows:

Academy staff and recruit officers, as well as other Department and outside-agency personnel will be able to see the portrait, read his biography, and be inspired by his legacy, which emphasizes our core values of Commitment to Leadership and Service to Our Communities.
