

INTRADEPARTMENTAL CORRESPONDENCE

September 19, 2018

1.10

TO: The Honorable Board of Police Commissioners

FROM: Chief of Police

SUBJECT: HOME-GARAGING AUTHORITIES - FISCAL YEAR 2018/19

RECOMMENDED ACTION

1. That the Board of Police Commissioners APPROVE the following Home-Garaging Authorities (HGAs) for Fiscal Year (FY) 2018/19.

DISCUSSION

This request conveys the recommendations from the Los Angeles Police Department's (Department) Home-Garaging Review Committee (HGRC). The recommendations are supported by Memorandum of Understanding (MOU) agreements and/or operational necessity standards as outlined in Department Manual Section 3/260 and are summarized below.

The Department's Home-Garaging Program is managed by the HGRC, which consists of the Director, Office of Support Services, as the Chair; the Director, Office of Special Operations; the Director, Office of Operations; and the Chief of Staff.

The analysis of authorized and reviewable HGAs for FY 2018/19 is as follows:

- Command and Staff Officers - 141 (MOU mandated)
- Motorcycles assigned to traffic enforcement personnel – 294
- Reviewable HGAs, justified by operational necessity – 719

Annual Renewals of HGAs are based on the following criteria:

- Immediate response to life threatening situations

This criterion requires timely response of essential personnel during off-hours for preservation of life and to prevent further injury in conjunction with an ongoing emergency incident. The Gun Unit, Criminal Gang and Homicide Division, and Special Weapons and Tactics Team, Metropolitan Division, are examples of entities whose duties commonly meet this criterion.

- Tactical response to unanticipated unusual occurrences

This criterion is based on the Department's need to respond during off-hours to unanticipated unusual occurrences. Authorities consistent with this criterion exist among Metropolitan Division crime task force members and motorcycle officers assigned to traffic divisions.

- Investigative response to ongoing operational and technical support incidents

This criterion is based on the Department's need to respond during off-hours to investigate major arrests or incidents, surveillance operations and arrest or search warrant service. Such immediate investigations are necessary for the preservation of evidence and/or in the interest of public safety. This criterion includes support personnel who operate specialized equipment that must be immediately available to investigating detectives, as any delay in their response would likely compromise the investigation. Authorities consistent with this criterion exist in specialized entities such as Robbery-Homicide Division, Force Investigation Division, Major Crimes Division, Technical Investigation Division, and Forensic Science Division.

- Management response to emergency call outs and off-hour inspections

This criterion includes positions that provide oversight of operations in which off-hours inspections and emergency call outs are routinely an operations necessity. A command responsible for multiple locations or that routinely employs off-hour watches would typically qualify under this criterion.

The Department is requesting a total of 1,154 HGAs for FY 2018/19. This request represents a 5% reduction from FY 2017/18. To meet this goal, the HGRC reduced existing HGAs by 44 and did not authorize any new authorities. If the revised submission is approved the HGAs will become effective September 11, 2018.

Should you require additional information, please contact Assistant Chief Jorge A. Villegas, Director, Office of Support Services, at (213) 486-8410.

Respectfully,

MICHEL R. MOORE
Chief of Police
