- F. Notwithstanding any other provision of this Agreement, including any exhibits or attachments incorporated therein, and in order for the City to comply with its governing legal requirements, the City shall have no obligation to make any payments to Contractor unless the City shall have first made an appropriation of funds equal to or in excess of its obligation to make any payments as provided in said Agreement. Contractor agrees that services provided by Contractor, purchases made by Contractor, or

expenses incurred by Contractor in excess of said appropriation(s) shall be free and without charge to City and City shall have no obligation to pay for said services, purchases or expenses. Contractor shall have no obligation to provide any services, provide any equipment or incur any expenses in excess of the appropriated amount(s) until City appropriates additional funds for this Agreement.

4.2 Taxes

4.3 Method of Payment

- A. Invoices. The City shall pay the Contractor pursuant to the requirements of this Section 4.0 after receipt and approval of the Contractor's invoices by the City. To ensure that services provided under personal services contracts are measured against services as detailed in this Contract, the Controller of the City of Los Angeles has developed a policy requiring the following supporting documentation to be submitted with all invoices:

Billing and Invoicing Requirements

The contractor is required to submit invoices that conform to City standards and include, at a minimum, the following information:

- 1) Name and address of contractor
- 2) Division and Department name and address where services were provided
- 3) Date of invoice and period covered
- 4) Invoice Number

 - 11) Include copy of Attachment A with the invoice
- B. All invoices must be submitted on Contractor's letterhead, contain Contractor's official logo, or other unique and identifying information such as the name and address of the Contractor. Evidence that tasks have been completed, in the form of detailed description of tasks performed per hours billed, shall be attached to all invoices. Invoices shall be submitted as per Section 4.3 and shall be payable to the Contractor no later than 30 days after City determination that the invoice is complete. Invoices are considered complete when appropriate documentation or services provided are signed off as satisfactory by the Commanding Officer, Detective Bureau, which approval shall not be unreasonably withheld, and which approval shall be provided within a reasonable amount of time. Notwithstanding the foregoing, and subject to any rules or regulations necessitated by the Office of the Los Angeles City Controller or as otherwise required by law, there shall exist a rebuttable presumption that invoices are complete upon submission by Contractor. Should there be any reason for which the invoices should not be deemed complete upon delivery, and for which reason payment should not occur upon 30 days of delivery of the invoices, City shall immediately notify Contractor and the parties shall work together in good faith to immediately rectify any deficiencies.
- C. Invoices and supporting documentation shall be prepared at the sole expense and responsibility of the Contractor. The City will not compensate the Contractor for costs incurred in invoice preparation. The City may request, in writing, changes to the content and format of the invoice and supporting documentation at any time. The City reserves the right to request additional supporting documentation to substantiate costs at any time.
- D. Failure to adhere to these policies may result in nonpayment or non-approval of demands, pursuant to Charter Section 262(a), which requires the Controller to inspect the quality, quantity, and condition of services, labor, materials, supplies, or equipment received by any City office or

department, and approve demands before they are drawn on the Treasury.

E. Invoices must be sent to:

Contract Administrator
Detective Bureau
Los Angeles Police Department
100 West First Street, Suite 636
Los Angeles, California 90012

F. The Contractor must notify the LAPD within five (5) days when eighty percent (80%) of the yearly maximum compensation has been reached.

In the event that it should be determined that any of such materials does qualify as a "Work for Hire," the Contractor will and hereby does assign to the City for no additional consideration, all right, title, and interest that it may possess in such materials, including, but not limited to, all copyright and other intellectual property rights relating thereto.

SECTION 6.0 DISPUTES

Both parties shall undertake to reach an amicable settlement in cases of dispute. If an amicable settlement cannot be reached, or in the event of default that could result in termination of this Agreement, City and Contractor shall schedule a meeting of their representatives in a good faith attempt to resolve the issues in dispute. The meeting shall allow for a detailed presentation of each party's views on the issues and potential solutions to the dispute or default. If possible, the meeting should result in an agreed upon course of action to resolve the dispute or default.

Contractor and City shall continue to perform any obligations under this Agreement during any dispute.

The provisions of Sections 5.169 and 5.170 (Div. 5, Ch. 10, Art. 1) of the Los Angeles Administrative Code and Section 350 of the City Charter shall govern the procedure and rights of the parties with regard to claims arising from this Agreement.

PSC-3. TIME OF EFFECTIVENESS

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;

- C. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract; and
- D. The Office of the City Attorney has indicated in Writing (including electronic communication), its approval of this Contract as to form.

PSC-4. INTEGRATED CONTRACT/AMENDMENT

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only in Writing and signed by the duly authorized representatives of both parties, including the Office of the City Attorney as to form.

PSC-5. FORCE MAJEURE/EXCUSABLE DELAYS

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract if the delay or failure arises out of a Force Majeure Event. Force Majeure Events include but are not limited to fires, floods, earthquakes, epidemics, quarantine restrictions, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), government furloughs, government shutdowns, freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar and unforeseeable events. For the party to be excused from performance for its delay or failure resulting from a Force Majeure Event, in each case, the delay or failure to perform must have been unforeseeable at the time of contract, and be beyond the control and without any fault or negligence of the party delayed or failing to perform. Notwithstanding the foregoing, **CONTRACTOR** shall not be entitled to terminate this Contract due to a Force Majeure Event in the event that **CONTRACTOR** is engaged to perform services in response to that event.

CONTRACTOR's non-performance shall not be excused by a delay or failure to perform by a Subcontractor resulting from a Force Majeure Event, unless (1) the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them and (2) the **CONTRACTOR** establishes that the goods or services to be furnished by the Subcontractor could not have been obtained from other sources in sufficient time to permit **CONTRACTOR** to perform timely. In the event **CONTRACTOR's** delay or failure to perform is a result of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-6. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term, or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-7. SUSPENSION

At **CITY's** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon delivery of the notice of suspension in accordance with the Contract, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-8. TERMINATION

A. Termination for Convenience

CITY may terminate this Contract for **CITY's** convenience at any time by providing **CONTRACTOR** notice in Writing, which shall include the effective date of termination. Upon delivery of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination, provided that such amounts are approved, in Writing, by **CITY** in advance of the work being performed. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY's** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-5, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may immediately terminate this Contract by giving **CONTRACTOR** notice in Writing of the default and termination. Unless otherwise specified in **CITY's** termination notice, termination by **CITY** shall be effective three (3) days after the date of delivery of notice in Writing. Alternatively, in the event of a default, **CITY**, at its sole discretion, may send **CONTRACTOR** a default notice in Writing identifying the default and the time period to cure the default to the sole satisfaction of City. Additionally, **CITY's** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the

default, which shall be submitted to **CITY** within the time period allowed by the default notice. At **CITY's** sole discretion, **CITY** may accept or reject **CONTRACTOR's** plan. If: (1) **CITY** rejects **CONTRACTOR's** plan; (2) the default cannot be cured; or (3) **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR's** breach of this Contract.

2. If the default under this Contract is due to **CONTRACTOR's** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and **CONTRACTOR's** obligation to suspend performance of services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY's** requirements and provides written evidence to **CITY** that **CONTRACTOR** has obtained the required insurance coverage.
3. A breach of PSC-21, PSC-22, PSC-23, PSC-34, or PSC-37, or any unauthorized use of City Data or AI System, shall be deemed a breach of this Contract. **CITY** may require immediate suspension of the affected processing or services and may terminate this Contract if **CONTRACTOR** fails to cure within the period stated in **CITY's** notice, or immediately if the breach is not reasonably curable or presents an imminent risk to City Data, **CITY** systems, or the health, safety, or legal rights of any person.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates City, state, or federal laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person is informed that it is the target or subject of a local, state, or federal government investigation, or is criminally diverted, charged with, indicted for, convicted of, pleads nolo contendere to, forfeits bail, or fails to appear in court for a hearing, related to any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. Acts of Moral Turpitude include, but are not limited to: crimes set forth in California Penal Code Section 667.5, California Penal Code Section 1192.7, and California Public Resources Code Section 5164(a)(2) regardless of whether such acts are punishable by felony or misdemeanor conviction.

- c. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
 - d. **CITY** shall be entitled to terminate this contract for breach due to an Act of Moral Turpitude.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
 - 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-8(A) Termination for Convenience.
 - 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in Writing all other parties contracted with under the terms of this Contract within five (5) calendar days of the termination.

PSC-9. INDEPENDENT CONTRACTOR

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC-10. CONTRACTOR'S PERSONNEL

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. In the event that **CITY** is dissatisfied with the performance of any **CONTRACTOR** personnel, **CITY** and **CONTRACTOR** shall meet in person, virtually, or telephonically to attempt to resolve such concerns.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and

paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR's** Subcontractors, and **CITY** reserves the right to require replacement of any Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR's** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

Any employee, agent, or Subcontractor with access to City Data or Confidential Information shall be subject to written confidentiality obligations and appropriate privacy and security training. For purposes of this Contract, any third party that hosts, stores, transmits, supports, analyzes, or otherwise processes City Data or provides a material AI System used in performance of this Contract shall be deemed a Subcontractor or Subprocessor subject to **CITY's** prior written approval under this PSC-10.

PSC-11. ASSIGNMENT AND DELEGATION

CONTRACTOR may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract by operation of law or otherwise, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

For the purposes of this Contract, any change of control of **CONTRACTOR** resulting from an amalgamation, merger, corporate reorganization, arrangement, business sale, or asset shall be deemed an assignment or delegation.

PSC-12. PERMITS

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications, and other documents necessary for **CONTRACTOR's** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR's** performance of this Contract.

PSC-13. CLAIMS FOR LABOR AND MATERIALS/UNEMPLOYMENT

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

**PSC-14. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION
CERTIFICATE REQUIRED**

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY's** Business Tax Ordinance, Section 21.00 et seq. of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-15. RETENTION OF RECORDS, AUDIT AND REPORTS

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. Except in circumstances where either federal, state, or local law requires a longer period of retention, these records shall be retained for a period of no less than five (5) years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract ("Retention Period"). The records will be subject to examination and audit by authorized **CITY** personnel or **CITY's** representatives at any time.

CONTRACTOR acknowledges that this is an agreement with the Municipal Corporation of Los Angeles, and, as such, upon request by the Office of the Mayor, City Attorney, or Controller, agrees to provide such entities with access to any information, records, or data related to this Contract. **CONTRACTOR** shall provide any reports requested by **CITY** regarding performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

Any Confidential Information and protected Personal Information contained in the records during the retention period will remain subject to the obligations and restrictions contained in the Contract. **CONTRACTOR** will not use the retained Confidential Information or Personal Information for any purpose.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY's** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract. At any time prior to or during Retention Period, **CONTRACTOR** shall, upon written request by **CITY**, provide all City Data to **CITY** in an electronic format, e.g. USB flash drive. Within thirty (30) days following the expiration of Retention Period, **CONTRACTOR** shall securely dispose of all City Data in its possession and provide **CITY** with written certification that it has completed secure disposal.

For purposes of this PSC-15, records pertaining to the performance of this Contract include records reasonably necessary to demonstrate **CONTRACTOR's** compliance with PSC-21, PSC-22, PSC-23, PSC-34, and PSC-37, including Subprocessor approvals, security assessments, incident reports, and policies or certifications made available to **CITY**. Retention of City Data itself shall remain subject to PSC-22.

PSC-16. BONDS

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 et seq. and any successor sections.

PSC-17. INDEMNIFICATION

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands, deficiencies, judgments, settlements, costs, and expenses of any kind, including, but not limited to, attorney's fees (both in house and outside counsel), costs of experts and consultants, damages or liability of any nature whatsoever whether foreseeable or unforeseeable (including, but not limited to, as related to death, personal injury, property damage, or economic loss), relating to or, arising in any manner by reason of the acts, errors, omissions or willful misconduct by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. Without limiting the foregoing, such obligations apply to claims, losses, demands, and expenses arising out of or relating to any Security Incident or Data Breach, any unauthorized access to, acquisition, use, disclosure, loss, alteration, or destruction of City Data, any violation of PSC-21, PSC-22, PSC-23, PSC-34, or PSC-37, or any allegation that **CONTRACTOR's** use of an AI System under this Contract caused invasion of privacy, unlawful discrimination, defamation, or other injury, in each case to the extent caused by **CONTRACTOR** or its Subcontractors. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-18. INTELLECTUAL PROPERTY INDEMNIFICATION

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY's** actual or intended use of any Work Product furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any

other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

For purposes of this PSC-18, intellectual property and proprietary information claims include claims arising from any software, dataset, AI System, model, training or fine-tuning data, prompt library, or output used or provided by **CONTRACTOR** or its Subcontractors in connection with the services. If any service, Work Product, or deliverable becomes, or in **CONTRACTOR's** reasonable judgment is likely to become, subject to such a claim, **CONTRACTOR** shall, at its expense and in addition to its defense and indemnity obligations, promptly: (1) procure for **CITY** the right to continue using the affected item; (2) replace or modify the affected item so that it becomes noninfringing without materially reducing functionality, security, or performance; or (3) if neither of the foregoing is commercially reasonable, refund the fees allocable to the affected item and assist **CITY** in an orderly transition. **CONTRACTOR** shall have no obligation under this paragraph to the extent a claim arises solely from modifications made by **CITY** other than through **CONTRACTOR**, use of the affected item contrary to the documentation or this Contract after notice by **CONTRACTOR**, or combination with items not supplied or approved by **CONTRACTOR** where the claim would not have arisen but for such combination.

PSC-19. INTELLECTUAL PROPERTY WARRANTY

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

CONTRACTOR further represents and warrants that: (1) **CONTRACTOR** and its Subcontractors have obtained and will maintain all rights, licenses, consents, notices, and permissions necessary for the technologies, datasets, AI Systems, and other materials used to perform this Contract and to grant the rights granted to **CITY** herein, including any required rights relating to voice, image, likeness, biometric, or other protected data; (2) no Contractor Materials, Work Product, or AI-generated deliverable provided to **CITY** is subject to any license, use restriction, or other encumbrance that would require **CITY** to disclose source code, grant rights to third parties, or accept restrictions inconsistent with this Contract, except as expressly disclosed in writing and approved by **CITY**; and (3) **CONTRACTOR** will not use City Data to train or improve any AI System except as expressly permitted under PSC-23.

PSC-20. TECHNOLOGY, DATA AND AI DEFINITIONS

For purposes of these Standard Provisions for City Contracts, the following terms apply:

"AI System" means any machine-based system, including any generative artificial intelligence, large language model, machine learning model, algorithmic or automated decision system, or similar technology, that infers from the inputs it receives how to

generate outputs such as text, images, audio, video, code, classifications, scores, predictions, recommendations, or decisions.

“City Data” means all data, content, records, information, text, audio, video, images, software, documents, Personal Information, credentials, metadata, logs, prompts, inputs, outputs, feedback, configurations, and other information, in any form, that is: (i) provided by or on behalf of **CITY** to **CONTRACTOR**; (ii) made available to **CONTRACTOR** by **CITY**’s personnel, residents, users, agents, systems, or devices; or (iii) collected, received, accessed, stored, hosted, transmitted, generated, derived, created, or otherwise processed by **CONTRACTOR** or its Subprocessors in connection with this Contract, in each case where such information identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked to **CITY**, any individual or household, **CITY** operations, or **CITY** systems. City Data includes any data embodied in Work Product and any prompts, inputs, outputs, logs, and evaluation data used or generated in connection with any AI System under this Contract. City Data does not include Contractor Materials, and does not include De-Identified Data solely to the extent **CONTRACTOR** is expressly permitted to use such De-Identified Data under PSC-22.

“Contractor Materials” means preexisting or independently developed materials, services, software, source code, object code, models, algorithms, routines, templates, know-how, tools, methods, documentation, and other intellectual property that were not created specifically for **CITY** under this Contract and were not developed using City Data or **CITY** funding.

“Data Breach” means any unauthorized acquisition, access, use, disclosure, exfiltration, loss, theft, destruction, alteration, or compromise of City Data, or of the security, confidentiality, or integrity of City Data, whether or not such event constitutes a breach under applicable law.

“De-Identified Data” means data that cannot reasonably be used to infer information about, or otherwise be linked to, **CITY**, any individual, household, device, or **CITY** system, and with respect to which **CONTRACTOR** has implemented technical and organizational measures designed to prohibit re-identification and onward disclosure except as permitted by law.

“Personal Information” means any information that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular individual or household, and any other data subject to privacy, confidentiality, security, breach notification, consumer protection, identity theft, employment, or similar laws, including sensitive personal information, personally identifiable information, protected health information, payment card data, financial account information, biometric information, credentials, education records, and government-issued identifiers.

“Security Incident” means any actual or reasonably suspected event that materially threatens or adversely affects the confidentiality, integrity, availability, or resilience of City

Data or of the systems used to provide the services, including malware, ransomware, denial of service, unauthorized access attempts, or material outages, but excluding unsuccessful routine scans, pings, or blocked attacks that do not result in unauthorized access to City Data or material degradation of the services.

“Subprocessor” means any subcontractor or other third party, including any cloud, hosting, support, analytics, payment, or AI provider, engaged by **CONTRACTOR** or its Subcontractors to host, access, receive, store, transmit, or otherwise process City Data or to provide a material technology service used in performance of this Contract.

PSC-21. OWNERSHIP AND LICENSE

- A. City Data. **CITY** retains all right, title, and interest in and to City Data. No rights in City Data are granted to **CONTRACTOR** except the limited, nonexclusive, nontransferable right to use City Data solely as necessary to perform this Contract and solely in accordance with this Contract and **CITY’s** written instructions. **CONTRACTOR** shall not sell, license, rent, disclose, release, transfer, assign, encumber, or otherwise exploit City Data and shall not assert any lien, withholding right, setoff, or other encumbrance against City Data.
- B. Work Product. Unless otherwise expressly provided in this Contract, all finished and unfinished works, tangible or intangible, originated and prepared by **CONTRACTOR** or its Subcontractors specifically for **CITY** under this Contract, including, without limitation, documents, reports, analyses, studies, specifications, manuals, software, code, configurations, interfaces, databases, designs, audiovisual materials, websites, domain names, inventions, discoveries, and other deliverables (each, a “Work Product”; collectively, “Work Products”), together with all intellectual property rights therein, shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all right, title, and interest worldwide in and to such Work Products. **CONTRACTOR** shall execute any documents reasonably necessary for **CITY** to perfect, memorialize, or record **CITY’s** ownership of rights provided herein.
- C. AI-Generated Output. To the extent any Work Product or portion thereof is generated or assisted by an AI System or is not capable of assignment or exclusive ownership as a matter of law, **CONTRACTOR** hereby grants to **CITY** a perpetual, irrevocable, worldwide, royalty-free, fully paid-up license, with the right to sublicense to **CITY’s** contractors and service providers acting on **CITY’s** behalf, to use, reproduce, modify, display, perform, distribute, create derivative works from, and otherwise exploit such Work Product or output for any **CITY** purpose.
- D. Contractor Materials. **CONTRACTOR** retains ownership of Contractor Materials. To the extent any Contractor Materials are incorporated into, delivered with, or reasonably necessary for **CITY** to use any Work Product or receive the benefits of the services, **CONTRACTOR** grants to **CITY** a nonexclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid-up license, with the right to

sublicense to **CITY's** contractors and service providers acting on **CITY's** behalf, to use, execute, reproduce, display, perform, configure, maintain, support, and, if delivered in source or editable form, modify such Contractor Materials solely as necessary for **CITY** to use the Work Product and receive the benefits of the services.

- E. Third-Party Materials. For all materials, software, data, or other items delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure for **CITY**, at no additional cost to **CITY**, all rights necessary for **CITY** to use such items for **CITY** purposes and to receive the full benefit of this Contract.
- F. Restrictions on Disclosure. **CONTRACTOR** shall not provide or disclose any Work Product or City Data to any third party except as expressly permitted under this Contract or approved in writing by **CITY**.
- G. Subcontracts. Any subcontract or other agreement entered into by **CONTRACTOR** relating to this Contract shall preserve and protect **CITY's** rights in City Data and Work Product and shall state that no Subprocessor or subcontractor obtains any ownership interest in either.
- H. Equitable Relief. **CONTRACTOR** agrees that a monetary remedy for breach of this PSC-21 may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this PSC-21 by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

PSC-22. DATA PROTECTION

- A. General Standard. **CONTRACTOR** shall protect City Data using administrative, technical, physical, and organizational safeguards no less rigorous than accepted industry standards and no less protective than those **CONTRACTOR** uses for its own information of similar sensitivity, and in all events consistent with applicable law and the nature of the services and City Data. **CONTRACTOR** shall maintain a written information security program, incident response plan, and business continuity and disaster recovery capabilities appropriate to the services.
- B. Permitted Use; Restricted Use. **CONTRACTOR** shall collect, access, use, retain, disclose, store, and otherwise process City Data only for the limited and specified purpose of performing this Contract, complying with applicable law, and as otherwise expressly authorized in writing by **CITY**. **CONTRACTOR** shall limit access to City Data to personnel and approved Subprocessors with a need to know for performance of this Contract and who are bound by written confidentiality and data protection obligations at least as protective as this Contract. In addition to the

confidentiality obligations in PSC-37, **CONTRACTOR** shall not: (i) sell, share, rent, release, disclose, disseminate, make available, transfer, or otherwise communicate City Data to any third party except as expressly authorized by **CITY** or required by law; (ii) use City Data for advertising, marketing, profiling for unrelated purposes, product development unrelated to the services, or any commercial purpose other than performance of this Contract; (iii) combine City Data with data from other customers or sources except as necessary to provide the services and subject to written controls that prevent unauthorized use or disclosure; or (iv) move, store, or permit access to City Data outside the United States without **CITY's** prior written approval.

- C. **Data Minimization and Retention.** **CONTRACTOR** shall collect and use only the minimum City Data reasonably necessary to perform this Contract, and shall retain City Data only for the duration reasonably necessary for the permitted purpose or as otherwise required by law or **CITY's** written instructions. If retention is required by law or PSC-15, such retained City Data shall remain subject to all protections of this Contract.
- D. **Security Controls.** Without limiting the foregoing, **CONTRACTOR** shall, to the extent applicable to the services, implement and maintain: (i) logical access controls based on least privilege and unique user identification; (ii) multi-factor authentication for remote access, privileged access, and access to systems hosting City Data where technically feasible; (iii) encryption of City Data in transit and at rest, to the extent commercially reasonable and appropriate to the sensitivity of the City Data and the architecture of the services, and in all cases for portable media and internet transmissions; (iv) malware protection, endpoint monitoring, and timely security patching and vulnerability management appropriate to risk; (v) logging and monitoring reasonably sufficient to detect, investigate, and respond to unauthorized access or use; (vi) secure configuration, secure development where software or AI-based services are provided, and change management; (vii) secure disposal of media containing City Data; (viii) periodic privacy and security training for personnel with access to City Data; and (ix) segregation of City Data from other data through logical or physical separation appropriate to the services.
- E. **Subprocessors.** **CONTRACTOR** shall not permit any Subprocessor to access or process City Data without **CITY's** prior written approval as required hereunder and a written agreement binding the Subprocessor to obligations no less protective than this Contract, including the restrictions in this PSC-22 and PSC-23. **CONTRACTOR** remains fully responsible for all acts and omissions of its Subprocessors.
- F. **Security Incidents and Data Breaches.** **CONTRACTOR** shall notify **CITY** in writing without unreasonable delay, and in any event no later than twenty-four (24) hours after discovery of any Security Incident or Data Breach. Such notice shall include, to the extent known at the time, the nature of the incident, the categories of City Data affected, the date and time or estimated date and time of the incident, the

systems affected, the measures taken or proposed to address it, and a point of contact. **CONTRACTOR** shall promptly take all reasonable steps to contain, investigate, mitigate, and remediate the incident; preserve relevant evidence; provide **CITY** with regular status updates at least daily until resolution, or more frequently if reasonably requested by **CITY**; and cooperate fully with **CITY**, its representatives, insurers, auditors, and law enforcement. **CONTRACTOR** shall not notify any third party, regulator, or affected individual, or issue any public statement, regarding any Security Incident or Data Breach involving City Data without **CITY**'s prior written approval, unless required by law, in which case **CONTRACTOR** shall, to the extent legally permitted, consult with **CITY** in advance and provide **CITY** a copy of the proposed notice. **CONTRACTOR** shall reimburse **CITY** for reasonable documented third-party costs incurred by **CITY** to investigate, respond to, mitigate, notify, and remediate any Security Incident or Data Breach to the extent caused by **CONTRACTOR** or its Subprocessors, including legally required notice, call center support, credit or identity monitoring where reasonably appropriate, forensic services, data restoration, and other reasonable incident response costs.

- G. **Assessments and Audit Cooperation.** Upon **CITY**'s reasonable request, not more than once annually except following a Security Incident, Data Breach, or material change in **CONTRACTOR**'s security controls, **CONTRACTOR** shall provide **CITY** with then-current summaries of relevant independent security assessments, certifications, or audit reports, such as SOC 2 Type II, ISO 27001, or comparable reports, if available, together with remediation status for material findings relevant to the services. If such reports are unavailable, **CONTRACTOR** shall complete **CITY**'s reasonable security questionnaire and provide reasonable supporting documentation sufficient to demonstrate compliance with this PSC-22. **CITY** or its designated representative may, upon reasonable notice and during normal business hours, perform a reasonable review of **CONTRACTOR**'s compliance with this PSC-22 and PSC-23, subject to reasonable confidentiality, security, and operational safeguards. Any such review shall be limited to information and systems relevant to the services and City Data and shall not unreasonably interfere with **CONTRACTOR**'s business operations or expose data of other customers.
- H. **Return, Transition, and Deletion.** Upon **CITY**'s request, expiration, or termination of this Contract, **CONTRACTOR** shall promptly, and in no event later than thirty (30) days unless otherwise directed by **CITY**, return to **CITY** all City Data in a reasonably usable format designated by **CITY** and securely delete all copies of City Data in **CONTRACTOR**'s and its Subprocessors' possession or control, except to the extent retention is required by law or by immutable backup media not reasonably accessible in the ordinary course. Any retained City Data shall remain subject to this Contract until deleted. Upon request, **CONTRACTOR** shall certify in writing its completion of the return and deletion obligations. The return of City Data in a reasonably usable format and the deletion certification required by this subsection shall be provided at no additional charge. Additional transition services

requested by **CITY** beyond those ordinary obligations shall be provided at the rates, if any, set forth in this Contract, or otherwise at mutually agreed rates.

- I. Legal Requests and Public Records. **CONTRACTOR** shall promptly notify **CITY** of any subpoena, court order, public records request, or other legal demand seeking City Data or Confidential Information, unless prohibited by law. **CONTRACTOR** shall not respond or produce City Data except as required by law and after giving **CITY** a reasonable opportunity to seek protective relief or otherwise direct the response. **CONTRACTOR** shall reasonably assist **CITY** in responding to requests for records relating to this Contract.
- J. Limited Use of De-Identified Data. **CONTRACTOR** may use De-Identified Data solely for internal security, fraud prevention, service support, capacity planning, and improvement of the services provided to **CITY**, provided that **CONTRACTOR** does not identify **CITY**, any individual, household, device, or **CITY** system, does not sell or share such data, and does not use such data to train or improve any general-purpose or third-party AI System without **CITY's** prior written approval.
- K. By entering into this Contract, **CONTRACTOR** certifies that it understands and will comply with the restrictions in this PSC-22 and PSC-23. This PSC-22 shall survive expiration or termination of this Contract.

PSC-23. ARTIFICIAL INTELLIGENCE AND AUTOMATED PROCESSING

- A. Disclosure and Approval. **CONTRACTOR** shall not use any AI System that processes City Data, generates deliverables for **CITY**, interacts with the public or **CITY** personnel on **CITY's** behalf, or materially informs services or decisions under this Contract, or permit any Subprocessor to do so, without prior written disclosure to **CITY** of the AI System or provider, intended use case, categories of City Data processed, hosting region, retention practices, and material limitations reasonably known to **CONTRACTOR** that may affect accuracy, reliability, security, confidentiality, intellectual property, or bias. No such AI System or material AI feature may be enabled for **CITY** without **CITY's** prior written consent if it materially changes how City Data is processed or materially changes the risk profile of the services.
- B. No Model Training or Secondary Use. Except as expressly authorized in a written amendment signed by **CITY**, **CONTRACTOR** shall not, and shall cause its Subprocessors and AI providers not to, use City Data to train, retrain, fine-tune, or otherwise improve any AI System or model, whether general-purpose or customer-specific. Any retention of prompts, inputs, outputs, or feedback for abuse monitoring, safety review, or troubleshooting must be disclosed to **CITY** in advance, limited to the minimum necessary, protected as City Data, and not used for model training or generalized product improvement.

- C. Responsibility and Human Oversight. **CONTRACTOR** remains fully responsible for all services performed with or through an AI System. **CONTRACTOR** shall implement reasonable governance and quality controls appropriate to the use case, including documented intended use, change management, testing for material errors and security risks, and human review before any AI-generated output is relied upon for material legal, financial, employment, eligibility, benefits, enforcement, or safety decisions affecting any individual, unless **CITY** expressly authorizes otherwise in writing and applicable law permits such use.
- D. Output and Records. Any output, report, recommendation, code, content, or other deliverable generated by an AI System for **CITY** under this Contract shall be treated as Work Product or City Data, as applicable. Upon **CITY's** reasonable request, **CONTRACTOR** shall identify whether a deliverable was materially generated or modified using an AI System. **CONTRACTOR** shall, upon **CITY's** reasonable request, maintain and provide records sufficient to identify the AI System used, the material version or model family, the date of use, and the categories of City Data processed in connection with the services, except to the extent disclosure would reveal **CONTRACTOR's** trade secrets unrelated to **CITY's** use, in which case **CONTRACTOR** shall provide a reasonably informative summary.
- E. Changes and Suspension. **CONTRACTOR** shall provide **CITY** with reasonable advance written notice of any material change in an AI System or AI provider used to perform the services that is reasonably likely to affect City Data, security, confidentiality, functionality, or the risk profile of the services. If **CITY** reasonably determines that an AI System presents a material risk to City Data, **CITY** systems, or affected individuals, **CITY** may direct **CONTRACTOR** to suspend the applicable AI-enabled processing until the risk is remediated to **CITY's** reasonable satisfaction.

This PSC-23 shall survive expiration or termination of this Contract.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.
